Dear Parents,

The Florida Department of Education has informed us that individual student FCAT results will arrive in the district on June 10th or 11th, after schools have closed for summer break. However, parents will be able to pick-up their child's FCAT results on June 14th, 15th or 16th at the office of the school the child attended. School offices will be open during their regular school hours, and parents will be asked to present identification to ensure confidentiality.

Sincerely,

A handwritten signature in cursive script that reads "Martha K. Hayes".

Martha K. Hayes
Chief Instructional Officer
