

VOLUNTEERS

WE NEED YOU!

We would love to have you volunteer at East Naples Middle School!

ENMS is in need of volunteers to work in classrooms, chaperone field trips and help in various events through out the school year. Show your student that you are actively interested in his/her education and sign up to be a volunteer today!

Please visit the district website and fill out a required volunteer application. Once you have submitted the application, contact Valerie Bender at 377-3621 or via E-Mail at benderva@collierschools.com

We will ask you to drop by the school with your ID so we can finish the volunteer process and speak to you about your interests in helping out.

**Thank you for all
your support!**
