

GULFVIEW MIDDLE SCHOOL ACADEMIC HELP PROGRAMS

Dear Parents of Academic Help Program Participants:

In order for your child to be successful in an academic assistance program he/she needs to bring homework assignments, books, supplies, and/or reading materials. In addition, students must bring their agenda books. We need the following information to help us in overseeing the program. Please complete the bottom of this form and return to the front office.

The School Board of Collier County, Florida, will provide for reasonable supervision of students within its care and control. The supervision will be consistent with the ages of the students. However, the School Board is not an insurer of the safety of students nor can it supervise all movements of all students at all times.

Students are expected to follow regular school rules in accordance with the Collier County Code of Student Conduct. **Continued disruption or non-compliance with those rules may result in the student being removed from the program.**

(Students may bring a snack to eat if allowed)
