NEWS RELEASE: NAPLES PARK ELEMENTARY LITERACY AND TECH NIGHT TOMORROW

Naples Park Elementary School (NPE) is keeping up with technology and sharing Internet tools with parents at their Parent Literacy and Technology Night scheduled for tomorrow (January 10) from 6:00 P.M. to 7:00 P.M., in the school's cafeteria (685 111th Avenue North). This event is open to NPE parents and students only.

Come spend an evening on the Internet with your children. Parents will sit alongside their child and learn how to access fun resources from a home computer or at the public library. The evening's focus is on reading – sharing tools that can provide students with extra reading for enjoyment and practice. Parents will not only learn about Tumblebooks, the latest addition to NPE's online library, but also have an opportunity to see the new web-based Accelerated Reader Program students use as a motivational reading comprehension tool. All available Internet resources feature a range of reading activities for all ages and reading levels.

To learn more, please contact Naples Park Elementary Media Specialist Kathy O'Neill at 377-7700 or via email at oneillka@collierschools.com.
